Okay, parents, we finally have a list of sitters for you to contact! At the moment, it's a fairly short list, but it will be added to as we get more names. Without further ado, the BabyCats Sitter List. Note that the list is password protected to ensure the privacy of our sitters, so you'll need to contact [babycatsitters@listserv.arizona.edu](mailto:babycatsitters@listserv.arizona.edu) to get that information.
